

EST. MMXXIV

VOLUME I

HAPPI GREENS

HANDBAG COLLECTION

*Crafted with Nature.
Designed for Tomorrow.*

THE HOUSE

Luxury crafted from sustainable innovation.

Happi Greens begins where craft meets conscience. Each piece is shaped from premium plant-based leather, finished by hand, and conceived to age with grace rather than fashion.

We work in restraint — quiet lines, considered volumes, and a palette drawn from the natural world. Nothing decorative. Nothing disposable.

CONTENTS

I	Luxury Crafted from Nature	MATERIALS
II	The Work Collection	FOUR PIECES
III	The Everyday Collection	FIVE PIECES
IV	The Statement Collection	THREE PIECES
V	The Mini Collection	SIX PIECES
VI	Designed for Circular Living	SUSTAINABILITY
VII	Contact	THE ATELIER

Luxury Crafted *from Nature*

A material philosophy built on plants, not petroleum —
soft to the hand, honest in origin, refined in finish.

Plant Based

Cactus and apple-leaf derived surfaces.

Cruelty Free

Premium Vegan Leather

Sustainable

Low-water tanning, renewable inputs.

Circular Design

Repairable seams. Returnable at end of life.

I

NATURE. REFINED

Grown, not extracted.

MATERIAL NOTE

Designed for *Circular Living*

PLANT BASED

ANIMAL MATERIALS

LOW-WATER TANNING

REPAIR & RETURN

Plant Based

Surfaces derived from agricultural by-products rather than petroleum or animal hide.

Cruelty Free

No animal enters our supply chain, at any stage, in any season.

Sustainably Crafted

Small-batch production, low-water finishing, and hardware chosen for longevity.

Circular by Design

Every seam is repairable; every piece is welcomed back at the end of its life.
